Dear Potential OCHA Sponsor,

The Ontario Cutting Horse Association (OCHA) has initiated a sponsorship program to enhance cutting within Ontario and promote the products, services and reputations of our sponsors. As a potential OCHA sponsor we hope you will consider becoming involved in one of the fastest growing sports in North America. As an association, we are focused on more than obtaining your funding to support our cause; OCHA has something tangible to offer potential sponsors while we grow and enhance cutting in Ontario.

The OCHA sponsorship committee feels your sponsorship involvement will be beneficial to promote your company within Ontario. For 2011 OCHA will be hosting a minimum of 10 National Cutting Horse Association approved shows plus additional events such as clinics and fun days in all areas of the province. As a sponsor your company will receive recognition at each of these events.

We thank you for your consideration and look forward to a mutually beneficial relationship.

Yours truly,  
OCHA Sponsorship Committee:
